Message from the Head Teacher

It's the end of term and what a term it's been! We welcomed you all in September with our fresh new look and we haven't looked back. We've packed in visits and visitors, Assemblies and celebrations, Open Mornings, afternoon teas and Parents' Evening, Harvest and of course, the most magical time of all with little ones, Christmas and all that brings! As the excitement mounts to fever pitch levels, we hand your children back to you for what we hope will be a joyous Christmas and restful holiday together. As you know, I hand over to Vanessa Conlan, Head Teacher in January. Epsom is a happy school

filled with happy children. The staff work very hard to provide an excellent education and exceptional pastoral care for your children. I have enjoyed my term and would like to thank everyone for making me feel so welcome. I wish Vanessa and Pre-Prep Epsom every success for the future and look forward to following this lovely school's progress for many years to come. I wish you all a very merry Christmas and a happy, healthy 2017. Vanessa will be here to welcome you all back to the new term and the new year on Wednesday 4 January.

Kay Barrett

It was Christmas in the Kitchen!

Mrs T delighted us all to a most delicious, scrummy lunch on Wednesday. She cooked for over 70 of us and washed up afterwards too, all on her own! Mrs T has already prepared the menus for next term and is looking forward to introducing the children to some new recipes and flavours. Thank you for all your hard work this term Mrs T, we all love lunch time!

After-School Clubs in January

We can confirm that all requests for After-School Clubs in January have been met.
