### Message from the Head Teacher

As the temperature dips there is a definite feel of autumn and all things Harvesty in school. Staff in First Steps are planning their autumn walk in the park with children and parents in a couple of weeks time. Rising Reception have been singing their hearts out in the classrooms, practising their songs to sing to you at their class Harvest Breakfasts. I hear them every morning and they sound adorable. Reception are so excited about their upcoming tractor and trailer ride around the pumpkin fields at Garsons Farm. Every child will be picking a pumpkin to bring

home and parents might like to research some recipes in advance! Year 1 are going to be writing some poems about autumn over the next few weeks. The children will be focusing on gathering imaginative, descriptive words and inspiration when out walking with their teachers next week.

The children's photographs that were taken this week should be ready to view on the Ward Hendry website sometime next week. We shall keep parents informed.

### Open Morning at Downsend Prep School

Downsend is holding an Open Morning tomorrow. Mr Thorpe will begin his welcome at 9.30. The Open Morning will provide an ideal opportunity for Pre-Prep parents to see the school in action and talk to pupils about life at Downsend School. It will also give parents an indication of the progress children make when they move on from Epsom. Pre-Pre parents are always welcome to attend Open Mornings at Downsend and we look forward to welcoming you there. Do try to join us, especially if you haven't visited before.

### News from the children in Year 1

We are learning about ourselves and other animals in Year 1 this term. In science this week we focused on our 5 senses and carried out lots of different experiments using our senses of touch, smell and taste. We smelt garlic, cinnamon and oranges and ate gherkins, lemons and strawberry laces! We recorded our results in tables.

## Well Done!

## Staff News

Sarah Murray has joined us this term to teach French and is in school every Wednesday morning. Even our youngest children in First Steps have a weekly lesson with Madame Murray. Sarah's lessons are carefully planned and differentiated for the variation in ages and abilities. First Steps were responding to *écoutez* and *regardez* this week while children in Year 1 were counting to 10, introducing themselves and replying to *ca va? Fantastique!*

### Senses

Children in Year 1 recorded things they saw, smelt and heard in the playground this week.

### Gentle Reminder

As Downsend is holding an Open Morning tomorrow, we ask that parents attending Saturday Morning Sports events park in the lower car park to help ease congestion. Thank you for your assistance.
