Reception Study Europe

The Uniform Shop is open for sales on Thursday, 19 January from 15.00-16.30.

This week the children have chosen the countries that they would like to learn about. We have concentrated on those countries that are in Europe and all three classes chose Italy, France and Spain. We really enjoyed learning about Italy. We found out about that there was a leaning tower in Pisa (not Pizza!) and there is a volcano called Vesuvius. The children were very interested to learn that Venice is made up of canals and that you can go on water taxis to get there. The most important thing about Italy was that they ate pizza and pasta so we had to have a go at making some.

The children in RRLC had a great time during Wednesday afternoons ICT session. They enjoyed using the interactive white board to make their own farm pictures. They picked the animals they wanted on their farm and moved them to the field. They have also learnt how to use the CD player so they can listen to their CD story of choice.
