Message from the Head Teacher

The weather is warming up and spring is really in the air with lots of flowers and blossom all around the grounds, there is evidence of plants growing in classrooms too. Our incubator has arrived, thank you to the Friends' for buying this for the children, the hatching process will begin shortly! A play fort, bought by the Friends', will be installed in the field on the 24th April just after we return from the Easter break, more to play on at playtime what fun!
