### Message from the Head Teacher

We are all ready to welcome you tomorrow to our Activity afternoon between 2 and 4 p.m. Activities will be found in RRLC, First Steps, RAG and 1AH classrooms plus activities down in the field, weather permitting! All classrooms will be open to view, a good time to look at the rooms your child may be in next year. There will also be a face painter and refreshments will be served throughout the afternoon. On arrival your child will receive a passport type book in which to collect stickers from the activities they do. Fingers crossed for a dry day!

The Voice of the Parent survey goes live on Tuesday 9 May and I would like to encourage as many parents as possible to participate, we will certainly act on the information received.

On Thursday 18 May parents of Reception and Yr.1 Children are invited to an Open Swim session. For security, parents are to arrive at the Sports Hall entrance door at the appointed times: Reception at 12.50 p.m. and Yr.1 parents at 1.50 p.m. If you arrive at a later time please go to the main Reception.

### First Steps learning about animals

This half term we have been learning about animals. This week we have been focusing on stories about 'Pets'. We enjoyed discussing whether we have any pets at home and Arabella even brought some eggs from her chickens! In the classroom we turned our role play into a vets surgery, where the animals can go if they feel unwell.
