# Notes on Uniform:

---

## Football Boots

In order to play on the fields in winter, boots with studs ensure that the boys do not slip. Football boots can be worn for both football & rugby. At the end of the autumn term, the pupils change from playing football to rugby. At this point, the studs need to be changed to comply with the RFU regulations. This requires the correct BS kite mark safety studs to be fitted. Further details will be provided in November and will also be available on the website. All children selected to play in football teams are required to wear both boots and shin pads when representing the school. Velcro fastening football boots are a good idea.

## Gum Shields

When playing hockey or rugby, gum shields must be worn to ensure safety and protection of teeth. The school invites OPRO in to fit gum shields. Details will be provided at the appropriate time. Alternatively, these may be bought at a sports shop or, at a higher level, can be professionally fitted by your dentist.

## Cardigans

These are required in school every day and are always worn at assembly.

## Girls

Summer uniform dress and ankle socks should be worn in the summer term until October half term, weather permitting.

## Boys

Long trousers may be worn from October half term to the beginning of the summer term.

## Haircuts

If long, girls' hair should be tied back neatly to keep it out of the eyes. Boys' hair should be off the collar, out of the eyes and should not cover the ears. No pupil should have a haircut which in itself draws attention to the child concerned. Dyed or gelled hair is unacceptable.

## Earrings

Earrings should not be worn to school.

## Mobile Phones

These are not permitted in the Lower School.

## Uniform Sales

Details of forthcoming second hand uniform sales run by the Downsend Parents' Association can be found on our website [www.downsend.co.uk](http://www.downsend.co.uk) or in the School Calendar. Uniform sales are located on the top floor of the sports hall complex in the Social Area.

All articles of clothing including underwear and footwear, must be clearly marked on the inside with a name tape.
