### Message from the Head Teacher

Clubs have all begun well this week, our children certainly have so much energy and they are still energised after an hour of Multi –Sports for example!

We are beginning to use the field to look for signs of autumn, the leaves are really changing fast and there are acorns galore this year.

On Wednesday morning the photographer is in school taking individual photographs, siblings will be taken together as well.

Our first trip of the year takes place on Tuesday, Yr.1 are visiting Chertsey Museum looking at toys from a hundred years ago. This is one of our favourite trips with lots of hands on activities.

Parents are invited to The Friends' (our parents' association) AGM on Wednesday at 8 p.m. in our school Hall.

We are currently planning our curriculum evening for parents on 5 October at 7.30, more details will follow.

Gill Brooks

Rising Reception's topic this week is 'Our Bodies.' We talked about the various parts of our bodies and then had great fun labelling them and making our own skeleton pictures.

We chalked our body outline on the playground and also used shapes to create a picture of a human body.
