Message from the Head Teacher

We have had a very busy Open Week showing prospective parents around. Our visitors were so impressed with all the work they saw on the walls and in books, the well behaved and hard working children, but above all they commented on how happy and smiley the children and staff were! I have been so proud of our school, well done everyone.

Next Wednesday 11 October signing up sheets for Parents' Evening will be out in the front entrance. If you are unable to attend Parents' Evening on 18 October please do make a separate appointment with your child's teacher. Gill Brooks

Don't forget

- Next week is Maths week with lots of mathematical activities happening throughout the week.
- On Monday Reception are visiting Garson's Farm.
- On Tuesday parents of RR children are invited to coffee at 8.45 a.m.
- On Wednesday at 9 a.m. the Class Reps. meet.
- On Friday children are asked to come to school wearing something mathematical and we have Marvellous Maths Workshops for all ages.

What a lovely outing to The British Wildlife Centre the Year One children had on Monday. They learnt about the different animals that live in the British Isles and got to see Turbo the hedgehog and Florence the tawny owl up close. A wonderful day, full of excitement and the knowledge of the children was very impressive. A lasting memory perhaps for everyone was Miss Hodges having a cheeky red squirrel jumping on her shoulder! More pictures are on the back !!
