Message from the Head Teacher

As you know we have Parents' Evening next Wednesday, the sheets are still in the front entrance if parents have still to make an appointment time.

Teachers will be in the Hall to meet with you, however all classrooms will be open with children's work displayed for you to view.

I hope you find the evening an informative and enjoyable experience.

Gill Brooks

All the children at Downsend Leatherhead Pre-prep had so much fun trying to make a kilometre of pennies on Thursday. We didn't quite make the kilometre but we did make about 120 metres which we thought was quite impressive.

Year One are busy laying out their pennies as part of our maths week activities!

Look out for the final total once we have counted them all!

Don't forget

- On Monday at 9 a.m. parents of Reception and Yr.1 are invited to join us for a Harvest Assembly
- On Wednesday Reception and Yr.1 will take part in Healthy Eating Workshops during the morning.
- On Wednesday from 6 p.m. (First Steps have their own timings) parents are invited to meet their child's teacher.

Reception were very excited to go on their first trip to Garson's farm on Monday. We talked about the size of the pumpkins and tried to pick a pumpkin that wasn't too heavy for us to carry. At the end we had a good look at all the different vegetables and fruits in the farm shop.

Well Done !

What an exciting morning we have had at Leatherhead Pre-Prep! We have been doing some marvellous maths with Dave Hickory who tried to see how many teachers he could get into his balloon cube! I wonder how many children would fill the cube?

Inspiring young minds to create a lifelong passion for learning and discovery.
