Message from the Head Teacher

It was really something to see children playing outside without coats on yesterday after weeks and weeks of being bundled up in clothing. A super Spring day but will it last?

We have enjoyed another two class assemblies this week and with two to go next week we will have shared some fabulous moments. I have been so proud of our Reception and Yr.1 children standing in front of a large audience and totally in charge of their class presentation. Well done children. We look forward to next term when Miss Corden's class and Mrs Hampshire's class will also take an assembly.

I look forward to meeting and chatting with you all next Thursday during Parents' Evening. Teachers will meet parents at the appointed time in the Hall however all classrooms will be open for you to view and to see your own child's work.

Save the Date - 24 June 2.00-4.00 pm for the Summer Fair.

In Reception we have been learning all about plants and growing. We planted beans and we have been amazed at how tall they have grown! The children have been comparing the size of their beans and have even tried measuring how tall their bean is using cubes.
