Message from the Head Teacher

Welcome back to what hopefully will be a dry and warm summer term! With so many outdoor activities in the calendar fingers crossed they all go ahead as scheduled.

On Saturday 12 May between 2 and 4 p.m. we are holding a family activity afternoon to celebrate another wonderful year here at Leatherhead Pre-Prep, to which you are all invited. Genie Lab will be giving two sessions of science magic in the Hall, as well as other activities in classrooms and the outdoor area. Refreshments will be served throughout the afternoon. More details will follow in due course.

Save the Date Sun 24 June 2.00-4.00pm for the Summer Fair.

'Nursery have enjoyed starting our water topic. We had fun using the watering cans to water the plants in the school garden'

In Science this week, year 1 have been learning about which parts of plants are edible. They tasted celery, lettuces, radishes and pineapple - the pineapple was the most popular and the radish the least favourite. 'It tastes too spicy' was one comment!

Dear Parents

Saturday Sports Club will recommence this Saturday 21 April at 9am. Once again all boys and girls from Reception to Year 2 are welcome to attend and we will be focussing on cricket and athletics. One slight change is that this session will finish at 10am for all children this term. Also that we will not be running sessions on the Saturdays below due to half term

Sat 26 May & Sat 2 June

We hope the sun continues to shine and look forward to seeing as many of you as possible on Saturday

Regards Jon Albert & Jo Hawes

Don't Forget!

On Wednesday 25 April at 9 a.m. Class Reps. will meet in the dining room.

Now that summer may be on its way, please ensure your child has a sun hat in school, sun cream is applied before coming to school and if wanted, bring a named water bottle, however there is drinking water in each classroom as well as the water fountain.
