Athletics

On Saturday morning a large number of girls competed in an Athletics meeting here at Downsend. Local schools CLFS, St Teresa's, Guildford High and The Study joined us for an action packed morning.

All girls from Years 3, 4 and 5 competed in a sprint, a distance run, long jump and the ball throw. Each of these events culminated in a relay race at the end.

It was great to see over 100 girls competing and enjoying their sport. Well done to all the schools who took part and we look forward to seeing you all again at future events.

Thank you to the three Year 6 girls who helped us on the morning, not an easy thing to do after a week's residential but your support was invaluable.

Thank you also to the staff and parents for your help on the day.

Miss Seivewright

Team Sheets

All team sheets are posted on the schools sports website at least 2 days in advance of the scheduled matches. Please do check through the calendar to see when all matches are for your son/daughter's year group. It is common practice that they are predominately on the same afternoon but on occasions this may differ.

The link to the Downsend home page is here. Alternatively you can click on the link at the top of the Downsend website.

Once you are in the website you can either select the team by the calendar option or by the sport that is needed. A small icon that looks like a little blue man will appear if the team sheet has been added. This provides all the information that will be needed for the match.

Don't forget you will now need the password to access the team sheets.

Attendance at clubs/practices

If your son/daughter is unable to attend a practice or sports club please can you ensure you let the PE department know in advance. We need to ensure that all our pupils are in the correct place at all times.
