### Message from the Head Teacher

What a busy, fun packed, fast paced year of learning and excitement we have had! As we say goodbye to another academic year, I would like to take this opportunity to thank everyone for their support this year. I would also like to thank the hard working, committed staff at Downsend Pre-Prep Epsom who have enabled us to have such a great year through the day to day, week to week work they do with our children. I honestly think this is the happiest school I have had the pleasure to be a Headteacher at and although I am, of course, looking forward to the Summer break, I will miss everyone and am already looking forward to September!

I wish everyone a happy, healthy Summer break and great success to all our children in whichever school and class they are moving into in September.
