### Message from the Head Teacher

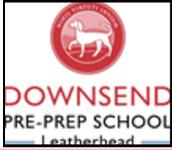

We have two fabulous Harvest assemblies on Monday morning from Yr.1 and Reception. The children recited autumn poems and sang beautifully with very smiley faces. You really did cheer us up on a rather drizzly day! We were also surprised by your generosity with food items, the foodbank will be delighted. Thank you to Miss Grimstone for organising the collection.

I hope parents' evening went well and you were able to have a good look around your child's classroom. The children have made super progress this half term. Well done everyone.

I wish you all a happy half term break and look forward to the next half of term which is a favourite of mine. Gill Brooks

Rising Reception have been enjoying outdoor learning in their remodelled undercover area. They have a great construction corner, digging area, sand play, Maths table and creation station to promote learning outdoors as well as in the classroom.

We would like to say a huge thank you to all the parents that contributed to the Leatherhead food bank collection as part of our harvest celebration. We were overwhelmed with the generosity of you all.  
 Many thanks.

## Golden Board

1AH — Rafferty Lemon

1VL — Blake Thomas

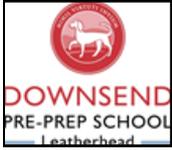

1SB — The whole Class

RJE — Hugo Drew & Lily Ormrod

RAG — Isabella Ghavimi

RCM — The whole Class

Inspiring young minds to create a lifelong passion for learning and discovery.

## Downsend School

A big thank you to all those children who took part in our 'Guess the weight of the pumpkin' competition. We had some great guesses from you all.

The pumpkin surprisingly weighed 10 bags of sugar and we have 2 winners who guessed the weight exactly.

Well done to Riva in First Steps and Beatrice in RRLC - they have chosen a pumpkin each from our display in the hall to take home.

### Don't Forget!

Science week begins 5 November.

On Tuesday 6 November Yr.1 visit the Science Museum.

On Wednesday 7 November Genie Lab will hold workshops with all age groups.

**Winter uniform should be worn. Black coats daily please. There is no need to wear red blazers for the remainder of this term.**

**Inspiring young minds to create a lifelong passion for learning and discovery.**
