

DOWNSEND  
SCHOOL

*Inspiring Young Minds*

# NEW TEACHER FEATURE

1

**Who are you and what will you be teaching at Downsend?**

I am Miss Street and I will be teaching Maths at Downsend in the Senior School.

2

**What did you do before joining Downsend?**

Before Downsend I taught in a secondary school within a large trust for 5 years. I absolutely loved it but was ready for a change, so here I am!

4

**What are you currently reading, and do you have a favourite book?**

I am currently reading a book called The two lives of Louis and Louise by Julie Cohen. I have only just started it but it is really interesting so far! I hope to read a few books over the summer whilst I have a bit more time. One of my favourite books is called Last Seen by Lucy Clarke. I just think it's so cleverly written and gripping, I couldn't put it down and read it very quickly.

3

**What/who inspired you to go into teaching?**

It's funny because whilst studying at University, I really didn't have a particular desire to teach. However, my housemate was going to do a 2 week internship with Teach First and asked if I would do it with her. We both interviewed and got through and I surprised myself by absolutely loving it! From then on I knew I wanted to teach.
