

**DOWNSEND
SCHOOL**

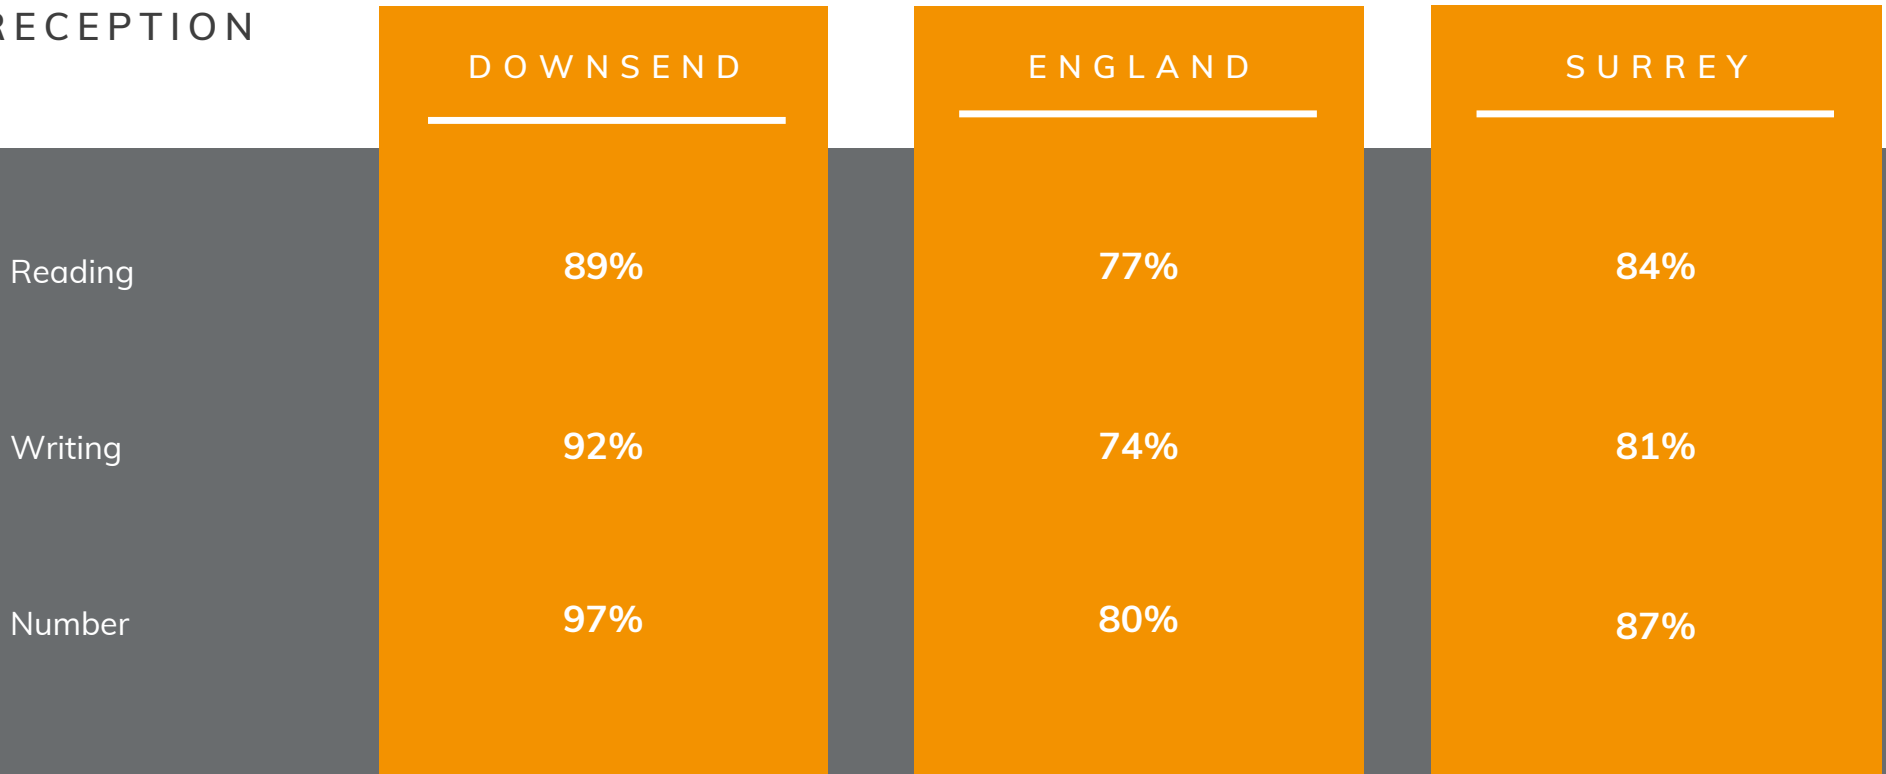

Inspiring Young Minds

In another remarkable year, our Reception children at Little Downsend achieved some quite remarkable results. This data compares our children's progress in 2021 against National and Surrey averages for 2019 (state schools were not required to assess children throughout the pandemic). Despite the pandemic, our children continue to exceed all their early learning goals.

This data shows the percentage of pupils meeting or exceeding the expected standard.

Early Years Data

RECEPTION

*Downsend pupils exceed Surrey averages by 17% in Maths,
11% in Writing and 5% in Reading.*
