Inspiring Young Minds

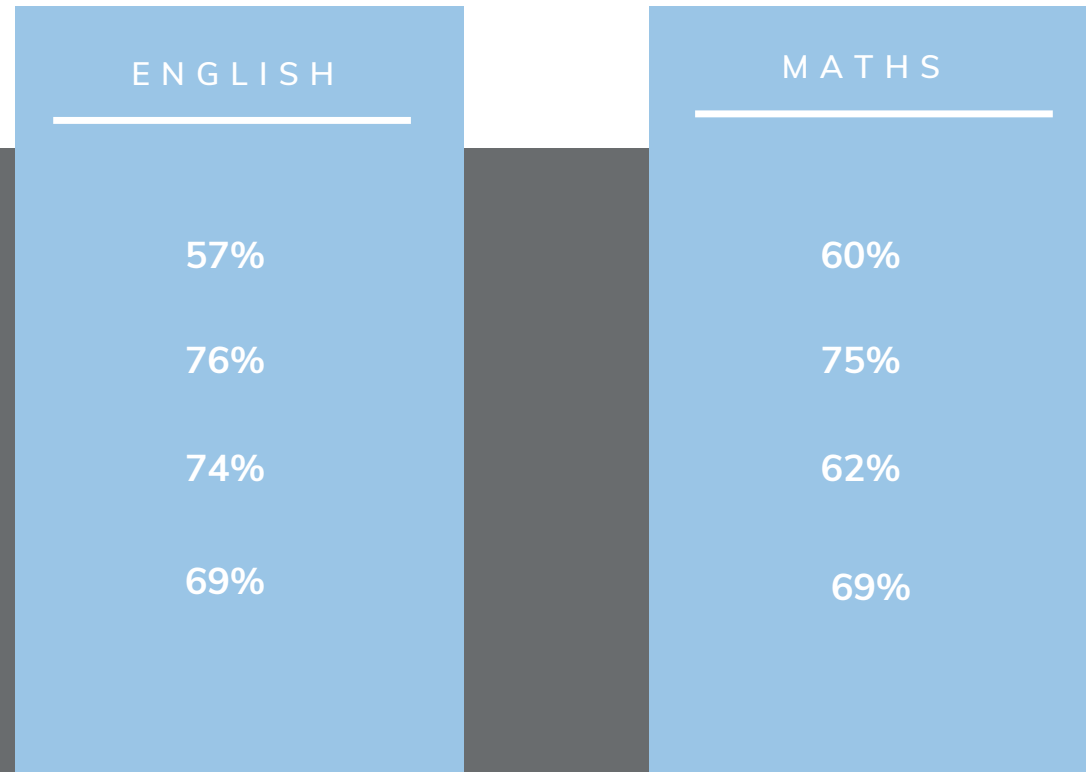

Junior Data

YEARS 2 TO 5

It is not a national requirement to assess children in Years 3 to 5, so we use GL Assessments to provide personalised learning programmes for each child. At the end of each year, children take Progress Tests in English and Maths (PTE and PTM).

This data shows the percentage of pupils working at least 10% above the national average.

NB: As Y6 has only recently joined the Junior School, Y6 data is shown in Senior.

In the Junior School a fifth of pupils are working at 20% above national averages.
