Inspiring Young Minds

Senior Data

YEARS 6 TO 9

We use GL Assessments to provide personalised learning programmes for our young people. At the end of each year, Progress Tests in English and Maths (PTE and PTM) help us to identify areas of strength and those for greater support.

This data shows the percentage of pupils meeting age-related expectations or higher vs National benchmarks.

	ENGLISH		MATHS	
	Downsend	National	Downsend	National
Year 6	91%	77%	91%	77%
Year 7	85%	77%	100%	77%
Year 8	89%	77%	90%	77%

In the Senior School, Downsend pupils are exceeding national benchmarks by between 8 and 23%.
